

EMAS DINAMIK (828558-V)

HEALTH SAFETY AND ENVIRONMENT POLICY

EDSB is committed to health, safety and environment (HSE) excellence in all our operations.

To achieve this, we shall:

Committed to achieve zero incident/accident and zero spill to people, property and environment and enhanced our business responsibly and ethically while providing a safe and healthy workplace for all employees and the public.

Identify and assess risks prior commencement of any activities.

Mitigate risk to as low as reasonably practicable (ALARP) by implementing effective risk control measures.

Adhere to good industry practices in our operations.

Perform Emergency Drills in accordance to established guidelines and procedures.

Comply with applicable HSE legal requirement, industry standards and best practices.

Ensure continuous improvements in HSE performance and results.

All employees and contractors shall adhere to this policy at all times.
