

EMAS DINAMIK (828558-V)

SECURITY POLICY

EDSB in order to detect and eradicate all attempts that would threaten safety and security of the personnel and asset in Company's premises and ships under our control, Office Security Plan and Ship Security Plan have been developed in accordance with chapter XI-1 of SOLAS Convention and the ISPS Code.

All employee of EDSB shall act in accordance with the provisions given in the Office Security Plan and Ship Security Plan. Further, all hands are expected to be fully familiar with all assigned security duties and shall undergone training as necessary by the Master or Ship Security Officer (SSO) designated by the Master and Company Security Officer (CSO).

Weapons, explosives and incendiaries are not permitted to be brought into Company's premises or onboard ships unless approved by Company Security Officer/Master/Ship Security Officer.

The Company shall render full assistance upon receiving a request from the Master and/or SSO, with co-ordination from the Flag Administration.

A handwritten signature in black ink, appearing to read 'Redzuan Khushairy Othman'.
