STOP WORK POLICY

EDSB is committed to minimize the risk to health, safety and environment arising from our activities to As Low As Reasonable Practicable (ALARP).

No one is allowed at any time to expose himself/herself, their colleagues, our guests, our facilities or our operations to intolerable risk.

If the task, activity or operation is deemed to have an intolerable risk, it shall not be executed. It is the Company policy that all employees including contractors shall stop work when they cannot mitigate the risk to ALARP.

No one shall be penalized for implementing STOP WORK POLICY.
